

REXIMA GMBH REDCO INDUSTRIE
Mr. Alex Redlus
Pirnaer Str. 6
68309 Mannheim-Vogelstang

Koblenz, July 8, 2020

Dear Sir or Madam,

The European REACH-Regulation (EC) No. 1907/2006 requires informing the customer if products contain one or more "Substances of Very High Concern" (SVHC in short) from the European Chemicals Agency (ECHA) "Candidate List" (Article 33/ 1) in a concentration of > 0.1 weight by weight.

According to REACH Article 7, the manufacturers and importers of the substances have a general obligation to submit a registration of SVHC to the ECHA.

Acc. to REACH Article 33, Stabilus, as a supplier of products, has to inform customers if a product complies with REACH Article 57 and contains a substance listed on the SVHC candidate list in a concentration of > 0.1 weight by weight (acc. to REACH Article 59/ 1).

With reference to the current "Candidate List" available at ECHA, up to and including the requirements of the COMMISSION REGULATION (EU) 2018/1513 of 10 October 2018 we want to inform you, that none of our products delivered to you contain SVHC > 0.1 weight by weight.

All information on REACH conformity is to the best of our knowledge at the present time and is based on current information from our suppliers

If you need any further information or have any additional questions, we will be pleased to assist you.

Yours sincerely,

STABILUS GMBH

i. A. Vladimir Friesen
